

SCOPE OF THE BO PAPER'S INTEGRATED MANAGEMENT SYSTEM

BO Paper, considering its context, internal and external issues that affect the company, defines the scope of the Integrated Management System described below, in order to comply with all stakeholders and in accordance to its business, mission and vision, so that the intended results of its Integrated Management System – IMS are achieved.

The scope of the BO Paper Arapoti's Management System (NBR ISO 9001, NBR ISO 14001, OHSAS 18001) covers:

Manufacture and sale of thermomechanical pulp (TMP), newsprint, coated and special papers.

In order to determine the scope of the Management System, BO Paper Arapoti has determined the limits and applicability of its integrated Management System that are restricted to the physical limits occupied within the installations of BO Paper Arapoti located at: Rodovia Municipal DR001, Km 07 – Barra Mansa, Arapoti Paraná Brazil, CEP 84990-000 and commercial office for customer service, production planning and control and sales at the address: Rua Pasteur, 463, cj. 1001 Batel, Curitiba – Paraná CEP 80250-104.
